

# DIN RAIL CABINETS WITH AQ-DIMMERS

Wall-mounted 2-door-cabinet

Wall-mounted cabinet with smoke-tinted glass and snap-door.

Wall-recessed housing (without door).

Wall-mounted housing (without door)

Wall-mounted housing (with open door)

Wall-recessed housing (with glass door)

Please observe that DIN rail cabinets with AQ-dimmers have slots or holes for a natural air-convection and that the dimmers should not be mounted directly one above the other.
